

# SEA CADETS

The school has been selected to join the Governments 'Cadet Expansion Programme'. This has seen us partnered with TS Stirling Sea Cadets in Shard End. Pupils train after school on Thursdays and can join in wider cadets activities on Tuesday nights and at weekends. Cadets choose to be either Royal Naval or Royal Marine cadets. Since being formed in April 2017 cadets have travelled to the United States for a week on an American cadet camp and learnt how to ski and snowboard.

All activities are heavily subsidised and can lead to BTEC Level 2 qualifications in Music and Public Services.
