In an attempt to remove all cash and cheques from school we are asking all parents to only use our e-payment method to pay for **dinner money, trips, music lessons etc** . This can be done online using a very secure website called ParentPay.

Already have a ParentPay account?

If you already have a ParentPay account, either with our school or another ParentPay school, you can simply login to that account and add your other children via the **Add a child** tab on your home page. You will need the activation username and password below to do this.

New to ParentPay?

You have a secure online account, activated using a unique activation username and password; you will be prompted to change these and to keep them safe and secure as your username and password for future logins.

If you have two or more children at a ParentPay school, you only need to activate one account to create your 'main account' and then add your other children via the **Add a child tab** on your home page. Please visit www.parentpay.com and activate your account via the **Account login** area on the home page of the site.

Username

Password:

ParentPay holds an electronic record of your payments to view at a later date. Once you have activated your account you can make online payments straight away.

Please do not hesitate to contact the school finance office if you need assistance. Your support in using ParentPay will help the school enormously in not only removing cash from the school but also ensures the safety of your child not carrying money with them.

Yours sincerely

Chris Etheridge
Head Teacher
